- 98% of the world's performing artists choose Steinway.
- This instrument will encourage top flight educator/artists (who only perform on quality instruments) to come to Sun Prairie.
- The Steinway D will also enhance and improve many cultural activities in our community and area.
- All music students from the band, vocal and orchestral departments will benefit from this instrument.

What is our timeline?

Our Steinway project campaign is running from now until June 2010, with the hopes of having a piano in place for the opening of the new Sun Prairie High School.

You can help us reach our goal. Many hands working together can accomplish great deeds. Please give what you can and tell others of our mission.

You are the key to our success!!
